Activities Summary:

Safety Clinic covering safety basics followed by attendance at the Deleware State Trooper's Association Open House at Troop 2 Facility in Newark, Deleware. At the Open House we had a Ranger Leader and DE Trooper to give us a tour of the building. Outside were several stations including K9, Hazmat, Bomb Squad, Sniper, Scuba, Helicopter, and Fire Department units giving exhibitions. The RK event was completed at Praise Assembly with a time of sharing and a brief Awards Ceremony.

General Notes/Lessons Learned:

The Clinic at 1 hour and 45 minutes should have been broken down into separate sessions. The Open House event was as wonderful event-the lessons learned were to have a smaller boy to adult ratio and to have a better idea of a schedule of events(which I tried to obtain, but they did not have one, and even at the event kept changing). Leadership was completely supportive of the "non-structure" of the event and the boys behavior was top rate.

Awards Summary:

Each boy earned their Firefighter, Keeper of the Law, Safety Achievement patches. One brought a visitor and also earned his Daycamp Achievement patch.
